Policy Governance is a  
Service Mark of John Carver  
[www.carvergovernance.com](http://www.carvergovernance.com)

Policy Governance is answering the call for the need to network among boards.

The answer is a quarterly study group session. The intent of these sessions will be for a “hosting board” to lead discussion on a subject of interest that challenges our governance practice.

In future sessions we will rotate the hosting board’s responsibility to build on the networking advantages.

The workshop fee of \$25.00 per person will cover room rental and a continental breakfast to reimburse the Policy Governance Network’s supporting costs.

**This workshop will be facilitated by Larry Herman; Governance consultant, Graduate of Policy Governance® Academy, and Board Member at Three Rivers Health Hospital Authority and Lifecare Ambulance Services**

The Policy Governance Network is a Michigan based coalition of organizations and individuals providing support, training, and assistance to Board members and executives interested in the benefits found by using the Model of Policy Governance.
